The deferred taxes become a lien on the residence and the most recent three years of deferred taxes preceding a disqualifying event become due with interest upon one of the following disqualifying events; 1) the owner transfers the residence; 2) the owner dies; or 3) the owner ceases to use the property as a permanent residence. Multiple owners of a permanent residence must all qualify for the circuit breaker before a deferment of taxes will be allowed.

You must apply for the opportunity to defer property taxes each and every year that you wish to defer taxes. The application may be obtained from the county tax department and it must be filed with the county assessor by **June 1**.

**Note:** An owner who qualifies for both the property tax homestead exclusion and the property tax homestead circuit breaker may elect to take only one of these forms of property tax relief.
